Lindsey [not shown] was out in support of Tiger in Oct. 2013, but Amanda, in red cap, wasn't far!

LINDSEY Vonn gave Tiger Woods the ski boot after she caught him cheating with a fellow golfer's ex-wife!

Horndog Tiger's new squeeze is 27-year-old Amanda Boyd, whose marriage to struggling golfer Jason Dufner ended with a quickie divorce in April, *The National ENQUIRER* has learned.

"Even though Tiger dated Lindsey for years, he had a 'thing' for Amanda," a source told *The ENQUIRER*. "At first, it was just innocent flirting, but earlier this year it became serious. They've been having a steamy affair for several months."

"When Lindsey found out about their affair in the early spring, she hit the roof and kicked Tiger to the curb!"

Jason, 38, and raven-haired Amanda married in May 2012 and became social media darlings after he won the 2013 PGA Championship. Since then, Jason has battled back problems, and notched just one top 10 finish this year.

"I guess her flirty ways and good looks caught Tiger's eye. When Jason found out Amanda had been with Tiger, he was devastated!"

"Even though he and Tiger aren't close friends, Jason considered Tiger a trusted colleague."

According to divorce papers filed on March 16, Amanda and Jason suffered an "irretrievable breakdown of

the marriage," and separated on Feb. 17 due to "a complete incompatibility of temperament."

The divorce was final in April, with Amanda getting \$2.5 million and a Mercedes-Benz SUV, while Jason retained ownership of two homes in Auburn, Ala.

Serena & Venus 'IN TRAINING'

TENNIS star Serena Williams and her sister, Venus, are partying their way to Wimbledon - as caught in exclusive National ENQUIRER photos! Insiders worry the top-ranked tennis players are heading for more embarrassing meltdowns at the year's biggest tournament!

"Venus was completely blotto," a source told The ENQUIRER. "She was stumbling around, wobbling, talking and laughing!"

While a source close to Serena insisted she wasn't drinking, our eyewitness said the sisters didn't quit partying until the wee hours of the morning at a Palm Beach nightclub on June 21 - just eight days before the start of Wimbledon!

"You'd think they'd both be training for Wimbledon with a week to go! Instead,

These photos are especially disturbing after Serena's embarrassing performance at last year's Wimbledon.

First, she suffered a shocking loss in the third round of the singles championship to a far inferior opponent.

That was followed by a sudden breakdown in a doubles match with her sister, as an unsteady Serena staggered around the court before abruptly forfeiting.

Fans whispered that Serena, 33, was drunk, hungover or pregnant - although she later claimed illness. She was also shaky in last month's French Open, but managed to earn the Grand Slam title.

Las Vegas bookmakers continue to have Serena as the favorite to win Wimbledon at 7-to-4 odds - but these ENQUIRER pics will definitely have their interest, plus the attention of Serena's competitors! **NE**

GEORGE TO AMAL: YOU'VE RUINED MY IMAGE!

His political ambitions have bombed, along with his movies

HIS latest movie, "Tomorrowland," is a disaster, his political dreams are fading - and now George Clooney is blaming wife Amal! "George has had enough," dished a source.

"The Amal experiment has backfired badly, and he's looking for a way out."

Before they wed last September, the glamorous former Amal Alamuddin, 37, had lots of experience rubbing shoulders with world leaders.

That had George, 54, convinced his new bride could help turn him into a political heavyweight, according to insiders.

"George thought that Amal would help him fulfill his dream of running for office and, maybe one day, becoming presi-

dent," revealed the insider.

Instead, Amal's morphed into a red-carpet darling, and George feels her connections have thrown cold water on his political ambitions.

"It's a nightmare for George," said one source. "Suddenly, he isn't getting calls from D.C. movers and shakers, and he believes Amal's to blame."

"Instead of being like Bill and Hillary Clinton, they've become a trashy celebrity couple like Kim and Kanye!"

Even worse, according to friends, George feels that Amal's also ruined his Hollywood A-list status!

"He thinks she's damaged his box office appeal," one pal told The National ENQUIRER. "He actually believes she's made

him a laughingstock among his peers!"

Things have gotten so embarrassing that some Hollywood insiders have quipped the couple should star in their own reality show, "Keeping Up with the Alamuddins."

Desperate to regain his star status, George will take his wife back to England when renovations at their new home outside London are completed in the next few weeks, according to insiders.

"George is going to have a housewarming party, and carry Amal over the threshold," added the pal.

"Then he's going to leave Amal on her own in that big old mansion, while he hightails it back to America to rebuild his image!"

... SHE EVEN WANTS HER PARENTS TO LIVE WITH THEM!

Mom Baria's not shy about expectations for her famous son-in-law

GEORGE Clooney's life is getting completely Amal-gamated!

His wife, Amal, has told the notorious playboy her parents and sister – and her sister's kid – are moving into his English estate!

"When he married Amal nine months ago, he never realized he'd be expected to adopt the whole damn family," a family friend told *The National ENQUIRER*.

George is especially upset over living with his mother-in-law, Baria Alamuddin.

"Amal's mom drives him nuts," admitted the source. "She's pushy and high maintenance. It's like George and the Dragon!"

Following months of extensive renovations to their new \$16 million home, George and Amal are expecting to move in within weeks.

The nine-bedroom estate in the village of Sonning comes with a spacious guest house – which Amal finds perfect for her parents!

Amal is also welcoming younger sister Tala and her 12-year-old daughter, plus other members of her extended family.

While he hasn't been shy about avoiding kids, it's the mother-in-law giving George a classic headache.

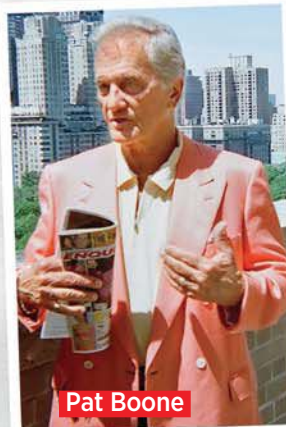

The two clashed several times during the family's New York visit last April, revealed the source.

"Baria blamed George for Amal's weight loss, and grumbled that he needs to look after her daughter better," the insider told *The ENQUIRER*.

"A couple of times, George lost his cool, comparing Amal's family to the Kardashians, saying Baria's worse than Kris Jenner!"

Haggard Hurt's PROSTATE HELL!

AS NEW photos showed actor William Hurt looking extremely gaunt, The National ENQUIRER has learned he secretly battled prostate cancer three years ago.

The Oscar winner, 65, was photographed in New York [above] while promoting his AMC sci-fi drama, "Humans."

"He's a tall guy which makes him look thinner anyway," according to an eyewitness at the event.

"But he looks like he's lost a ton of weight."

A spokesperson for the star confirmed "he was diagnosed and treated for prostate cancer three years ago."

He "is in remission," the rep added.

"William has been working professionally the entire time and is in the best shape of his life."

The star has been sober since a rehab stint in the '80s.

In the wake of his health scare, "He's determined to be around for a long time," added a source.

BOBBI KRIS DESPER CRIES FOR

Texts reveal how she was
abused by partner Nick Gordon

BOBBI Kristina Brown could have been saved if family and friends had heeded her cries for help to escape the hell of her abusive boyfriend.

That's the bombshell to emerge in a blockbuster National ENQUIRER investigation that has uncovered sensational text messages from Whitney Houston's daughter in the final hours before she ended up face down in a bathtub on Jan. 31 - and cut her life tragically short.

In a disturbing conversation with a friend, the 22-year-old aspiring singer confided her fears about violent lover Nick Gordon, who has been slugged with a multi-million dollar wrongful death lawsuit.

He also faces the prospect of murder charges over Bobbi Kristina's demise.

The messages, unearthed in an exhaustive ENQUIRER news probe, could become vital evidence in any criminal case. They were provided to The ENQUIRER by a secret police witness whose name we are withholding.

Using the nickname "Krissi Lovebug - with an image of puckered lips, Bobbi Kristina reached out to the close friend and was clearly fed up with hot tempered Gordon, 25.

The pal texted to Bobbi Kristina: "Hey baby I miss you so much. Sorry I've been working so much lately. I saw you called me last night."

Bobbi Kristina replied: "Hey babe boo boo. Yeah I'm sad ...It's about Nick ...:("

The friend responded: "God ... What's wrong now baby? He doesn't deserve you boo."

Sounding increasingly frustrated, Bobbi Kristina replied:

"Yeah I just seriously don't know what to do about him."

"You know how he is. I care about him but I'm so sick of the fighting and him telling me what I can and can't do. Plus what I found out ... I'm devastated ... I need my BFF baby love."

PHOTOS OF HER MOTHER SURROUNDED THE HOSPICE BED

BOBBI Kristina Brown spent her final days in a hospice care facility surrounded by her heartbroken family and her mother's music.

"After the decision was made to take her off life support, Bobbi Kristina was moved to the facility so she could pass on peacefully," a source told The National ENQUIRER.

The 22-year-old's father, Bobby Brown, and aunt, Pat Houston – named co-guardians by a judge – chose to place her in the Peachtree Christian Hospice in Duluth, Ga.

Bobbi Kristina was moved to the 16-bed facility on June 24 by private

ambulance with a police escort.

"The family wanted Bobbi Kristina to be comfortable," the source added.

"She was dressed in her favorite pajamas, and surrounded by framed photographs of her and her mother. The lights in her room were dimmed, and scented candles were lit.

"Whitney's songs that were her favorites, including 'Greatest Love of All,' 'I Will Always Love You' and 'Didn't We Almost Have It All,' played softly."

GERE BABE'S SECRET PAST!

Richard's hot young squeeze is **STILL** married

RICHARD Gere has found himself a "Run-away Bride!"

The big-screen heartthrob's new young love is 32-year-old Alejandra Silva, but The National ENQUIRER has learned the sexy Spanish socialite has a sordid secret – she's still married!

Like the "Pretty Woman" actor, Alejandra is in the middle of a high-profile divorce. Her estranged husband is Govind Friedland, the son of American mining billionaire Robert Friedland.

The two have reportedly been separated for over a year, which is around the time Alejandra met the "American Gigolo" hunk, sources revealed.

Richard, 65, has also been embroiled in a bitter divorce since 2013 when his 11-year marriage to actress Carey Lowell collapsed.

Richard and Alejandra

In Italy last month, the pair got close on the beach, top, and aboard a yacht

went public for the first time on the red carpet at the 61st annual Taormina Film Festival in Sicily on June 17, where the star was honored.

The May-December lovebirds extended their Italian vacation, and The ENQUIRER snapped them getting affectionate on a beach in Taormina, where the pair shared a passionate kiss aboard a yacht.

Alejandra has reportedly been splitting her time between the actor's home in New York City and Madrid, where her father, Ignacio Silva, is the former financial vice president of the pro football club Real Madrid.

Silver-haired fox Richard may have found his perfect match in Alejandra. She's already been photographed with devout Buddhist Richard's spiritual teacher, the Dalai Lama.

SOFIA: *I WON'T WATCH JOE'S STRIPPER FLICK!*

That means she'll be missing Channing's scenes!

Joe joined Channing as Big Dick Richie for the sequel to "Magic Mike"

SOFIA Vergara isn't so "modern" that she's comfortable with a male stripper in the family!

So the "Modern Family" star's snubbing fiancé Joe Manganiello's return to getting naked in "Magic Mike XXL!"

"She knows that kind of thing comes with the territory, but she's not happy about Joe making the sequel," an insider told The National ENQUIRER.

"Sofia's made it very clear she isn't going to watch the movie!"

Joe teamed up again with star Channing Tatum for the follow-up to the 2012 hit "Magic Mike," where the "True Blood" hunk first hit the big screen in the role of Big Dick Richie.

"Now Sofia has Joe in full domestic damage control over some of the more passionate scenes in the sequel," the source said.

"It's pretty funny to watch him falling all over himself to stay on her good side."

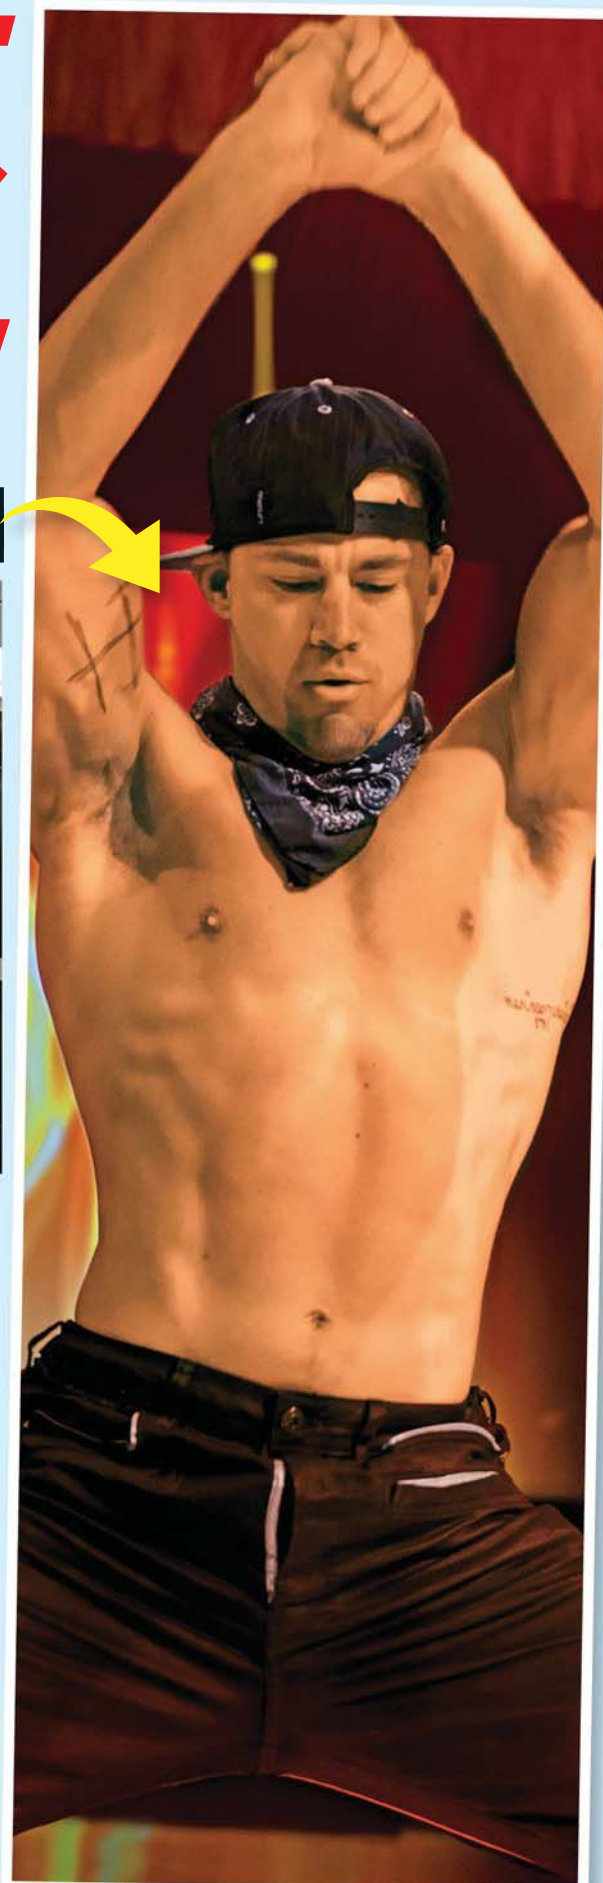

"Joe's already talking about what he's going to have to do - buying flowers, making a nice home-cooked dinner - when the movie comes out in theaters."

The 38-year-old actor confirmed those rumors when asked if Sofia, 42, was comfortable with ladies ogling her man at the multiplex. "No, she's Colombian," said Joe. "She's gonna kill everybody. She's very protective in that way - which is so cute, you know."

But in her defense, Joe confessed he feels the same way about Sofia stripping down on-screen - and added that his future bride won't be hiring any strippers for her bachelorette party!

"There better not be another guy," Joe blustered.

"If you're marrying Big Dick Richie, he better be the stripper!" **NE**

Jackie ran to their bedroom when she heard Hubby howl, “My boxers are *missing* – WHERE ARE MY BOXERS??” Said my source: “Jackie quickly explained she’d gotten rid of Adam’s drab, saggy drawers, replacing them with much sexier, butt-hugging tighty-whiteys. But when he griped that his old ones were perfectly comfortable, and he doesn’t even *like* briefs, Jackie responded so *passionately* – purring how him looking sexy and hot was *such* a turn-on – Adam abruptly forgot all about ... er, *whatever* it was?”

A TEMPER-FUELED flareup between **COLIN FARRELL** and **VINCE VAUGHN** nearly ended in a knock-down brawl on the set of their new “True Detective” TV series after they got fired up over ... GUNS!! Like many in America, the stars started arguing pros and cons of U.S. gun laws following the vicious Charleston church mass murder. Said an on-set source: “The two squared off after Irishman Farrell called Americans ‘daft’ for allowing so many guns to be available to so many. Vince, taking offense at what he perceived to be an anti-American attack, got smack in Colin’s face – telling him he was out of line! It got red-hot when Colin retorted that ‘even *your own President* agrees with me!’ Vince stands six-five, but much-smaller Colin would NOT back down – the two had to be separated! Cooler heads finally prevailed as the guys agreed to disagree and finished filming.”

MOM HIDES DEAD SON'S BODY IN CAR TRUNK FOR 10 YEARS!

State Police spokeswoman confirmed to The National ENQUIRER in an interview.

Slaton has apparently had the vehicle since a 2002 divorce.

Her former mother-in-law, Bernice House, said: "They were looking for my son's Mustang during the divorce, but I told him to let it go."

She added: "Lord knows it hurts my heart."

pired license plates.

But it was only after police ordered the Ford Mustang towed - and began a standard search of its contents - that they made the grisly discovery.

The state trooper who popped the vehicle's trunk was reportedly greeted by a sickening stench, and found a garbage bag tied off with duct tape.

Inside the garbage bag were the remains of little Quincy Jamar Davis. He was last seen alive in 2004, but no one reported the tyke missing.

Now police are exploring the possibility the seventh-grader was stashed in the trunk all that time!

"It's under investigation," a Virginia

ready served four years behind bars for trying to shoot a boyfriend who wanted to end their romance. She's now charged with concealing a dead body, although more charges are likely.

Bernice said: "I want God to have mercy on her because I know her son is in a better place."

'Dog' loses out in prison escapee hunt!

OFFICERS beat bounty hunter Duane "Dog" Chapman to close the case on one of the escaped "Shawshank" murderers!

On June 26, federal agents cornered and killed escapee Richard Matt - one day after Duane and his wife, Beth, joined the headline-making hunt, The National ENQUIRER learned.

"Matt has been shot - he's down," confirmed Lenny DePaul, a former U.S. Marshal,

Duane, right, joined the search a day before Matt, left, was killed

adding the shooting occurred in Malone, N.Y.

Matt was armed with a shotgun at the time he was killed, according to sources.

At press time, police were closing in on fellow inmate David Sweat, who joined Matt on the elaborate June 6 breakout from the Clinton Correctional Facility in Dannemora, N.Y.

The escape sparked one of the largest manhunts in N.Y. history, with the pair's escape through a steam pipe compared to the Hollywood blockbuster "The Shawshank Redemption."

Matt had shot at a driver in a camper near Malone,

a federal law enforcement source said.

The driver called 911. Officers arrived, and Matt was shot dead in a gun battle.

At the time, Duane had confirmed that he and his wife were at Dannemora to assist police in the manhunt for Matt, 48, and 34-year-old Sweat.

"In this case," a law enforcement insider told The ENQUIRER: "Dog didn't get his bone!" **NE**

lover, and claimed that he frequently beat Bobbi Kristina senseless.

"Krissi was referring to Nick's violent outbursts that turned physical and abusive, all of which were aimed at her," a source told The ENQUIRER in an exclusive interview.

"She was also upset that he'd text and flirt with other women, and suspected that Nick was cheating on her."

Determined to escape Gordon, a fearful Bobbi Kristina planned to seek "safe haven" at a friend's home, said the source.

"She was very depressed and taking a lot of Xanax [a prescription mood elevator and relaxant] and wanted desperately to get away from him because she believed he had snapped," the source added.

"But Nick had this control over her, and pulled the strings in their relationship."

POLICE WILL analyze Bobbi Kristina's electronic messages for both signs of domestic violence – and a motive for homicide, according to world-renowned private investigator Bo Dietl.

"She could have been on the phone texting somebody and saying, 'Oh my God, he is punching me, beating me,'" said Dietl, who is not involved in the case but has been following it closely.

"If you've got her going into a coma, you easily have enough to indict someone with criminal charges."

As her family files \$10 million lawsuit, police probe vicious beatings

AUTHORITIES have collected enough proof to nail Nick Gordon for murder and convince a jury that he brutalized Bobbi Kristina Brown to an early grave, a source close to the criminal investigation claimed to The National ENQUIRER.

What's more, the \$10 million civil lawsuit filed against Gordon by Bobbi Kristina's family – accusing him of viciously attacking her – will give prosecutors even more ammunition to charge him with homicide, a top legal expert said.

Slapping Gordon with the suit was a "strategically smart move," former top Brooklyn, N.Y., homicide prosecutor Javier Solano, who is not involved in the case, told The ENQUIRER.

"He will be forced to give a legal deposition answering the charges in the civil suit, which prosecutors can use against him."

"They can present crime scene photos of her bruised and battered body, medical records and other evidence to a grand jury."

"Their intent will be to show that the bruising was not self-inflicted."

THE DAUGHTER OF LATE diva Whitney Houston was found unresponsive and face down in a water-filled bathtub at the Roswell, Ga., townhouse she shared with Gordon, 25, on Jan. 31.

Eight days earlier, police were called to the townhouse for a reported fight. But when they arrived, no one was home.

The suit revealed disturbing details of that incident, stating Gordon viciously attacked Bobbi Kristina, then 21, “punching her in the face, knocking out a front tooth, and dragging her upstairs by her hair.”

In a series of dramatic photo recreations, The ENQUIRER has pieced together the potential aftermath of the brutal episode.

The court papers, filed June 24 at Georgia’s Fulton County Superior Court, alleged Gordon also pummeled Bobbi Kristina right before the fatal bathtub incident, stating she “became embroiled in a loud argument with Defendant [Gordon].”

According to the documents, she was discovered unconscious “with her mouth

swollen and another tooth knocked out.”

The family’s lawsuit also alleged that after Bobbi Kristina was placed in a medically induced coma, a thieving Gordon “stole in excess of \$11,000” from her bank account.

The court papers further claimed Bobbi Kristina had “confided” to a friend that Gordon was “not the man she thought he was.”

In an attempt to escape, she planned to meet a friend on Jan. 31, but early that morning she and Gordon got into the final argument that would take her life.

A source told The ENQUIRER: “One of the working police theories is that Nick knocked Bobbi Kristina out in a fit of rage and then panicked.

“He thought about the way Whitney died, and then must have put Bobbi Kristina into the bathtub, thinking he could stage an accident or suicide scene!”

The ENQUIRER learned that investigative cops have turned their findings over to the District Attorney.

A friend told The ENQUIRER: “Bobbi Kristina’s family always thought Nick Gordon was a gold digger and a drug enabler. Now he may also be a murderer!” **NE**

WHITNEY’S GRAVE: READY FOR HER DAUGHTER

WHITNEY HOUSTON’S grave is being prepared for when her daughter Bobbi Kristina will join her for their final embrace.

As these exclusive National ENQUIRER photos show, the late diva’s resting place at Fairview Cemetery in Westfield, N.J., is all spruced up.

“Whitney’s headstone now has a circular brick border garden, and two rosary necklaces have been added,” an eyewitness told an ENQUIRER reporter who visited the site on June 24.

“A new sign spelling out ‘Love’ has also been placed to the back left of the stone.”

Whitney was just 48 when she was laid to rest after her Feb. 11, 2012, drug-related death in Los Angeles.

Said a source: “The graves around Whitney are occupied. Bobbi Kristina’s remains could be placed atop Whitney’s coffin, with mother and daughter together into eternity.”

CURVY Caitlyn Jenner is really celebrating her transition into a female – she’s making plans for a baby!

Even though she’s 65, the transgender woman doesn’t think she’s too old to raise her eleventh child – and her plan to do it is radical!

Caitlyn is considering using Bruce’s frozen sperm to sire a surrogate, a move that would essentially make her the little one’s mom AND dad, The National ENQUIRER has learned!

“Cait’s desperate for a girl she can turn into a mini-me,” said a friend. “It was her dream all the years she was a woman trapped inside a man’s body.”

She’s already considering baby names, and is even setting up a nursery in her new Malibu pad!

“Cait has plenty of energy and her age doesn’t concern her at all, even though she will be in her 80s when her daughter graduates high school,” said the friend.

CAITLYN’S BABY JOY will also give her the chance to make amends, sources told The ENQUIRER.

Before transitioning, Bruce was a model TV dad to the Kardashian clan and his two youngest daughters. But he had been a cold, absent father to his older kids, some of whom did not see him much through their teen years. Burt, his eldest, said he didn’t see his dad more than twice a year for a decade, while Brandon went years at

a stretch with no contact from Dad.

Caitlyn has acknowledged she made mistakes being a dad to the four oldest Jenner children, but as adults they have reconciled and offered support for her new identity.

“Cait knows her extended family will welcome the baby, and she’s got all her kids to rely on for support,” added the pal.

THE TOP SECRET plans have enraged his ex-wife, Kris Jenner, who reportedly encouraged Bruce to freeze his sperm more than a decade ago, fearing that his fertility may decrease.

Meanwhile, Caitlyn is so desperate, she’s already contacted adoption agencies that specialize in facilitating adoptions for gay, lesbian and transgender parents, sources said. “If she doesn’t use Bruce’s sperm, she’ll adopt,” said a source.

Revealed another pal: “Cait has been feeling broody as hell for months. She says it must be all the hormones she’s taking! She’s also very jealous that Kim and Kanye are having another baby.

“Deep down, she would love to experience being pregnant, but she realizes even medical science can’t make that possible!”

But a top expert warned Caitlyn should rethink her baby plans. Dr. Gilda Carle, a former associate professor of psychology, told The ENQUIRER: “When you become a parent, the child’s needs come first. Caitlyn is still grappling with who she is and how she fits into the world.”

OSCAR winner Hilary Swank’s rough-and-tumble childhood has exploded in an ugly case of domestic abuse, The National ENQUIRER has learned.

Cops busted her sister-in-law on domestic violence charges after she threatened to throw a power drill at the actress’ older brother, Daniel Swank!

ENQUIRER READERS DECLARE CAITLYN CAN KEEP HER GOLD

CAITLYN Jenner should keep her famous gold jewelry – she earned it!

That's the overwhelming opinion of ENQUIRER readers who responded to our recent poll. After the Olympian transformed her gender, some folks demanded she forfeit the decathlon gold Bruce won in '76 competing as a man in a field of men. But over 90 percent of you thought the star won that event fair and square and really was The World's Greatest Athlete.

While some readers called Caitlyn's transformation "disgusting," Irene B. of Newburgh Heights, Ohio, may have said it best: "He/She earned that medal. No reason to give it back!"

After that, Tracey "started throwing things from his desk at him, including a large day planner that just missed him," the officer wrote.

"He told me that Tracey then tore everything off of his desk and onto the floor."

After Daniel dialed 911, Tracey drove off, the report said.

Her case is pending, said a source.

DOLLY CAUGHT UP IN CONFEDERATE FLAG STORM

‘Redneck’ brother-in-law has 2

PROUD “redneck” Dolly Parton is sure to be red-faced over a relative’s loyalty to the Confederate flag!

Most Americans want the controversial symbol banned after photos surfaced showing Dylann Roof – who’s charged with killing nine people at a historic black church – posing with a Confederate flag.

But The National ENQUIRER has learned country superstar Dolly’s brother-in-law, Donald Dean, has displayed two Confederate flags outside his home!

“This is going to start a new family feud between Dolly and her husband, Carl!” a source close to the 69-year-old showbiz legend told The ENQUIRER.

“There’s already trouble in their marriage – and now this! Dolly cannot afford to get caught up in this national scandal.”

Since the cold-blooded mas-

Dolly’s brother-in-law’s Nashville, Tennessee, home

sacre on June 17 in Charleston, S.C., top politicians have called for the Confederate flag to be banished, and retailers have pulled it off their shelves.

“Dolly is one of country music’s biggest legends, and she’s equally loved by both white and black fans. But her husband Carl’s redneck brother, Donald, proudly flies the Confederate flag!” an eyewitness told The ENQUIRER.

Even President Obama has led the outcry for the banning of the Confederate flag after Dylann Roof’s hate crime

Cancer surgery for Lorna

LIZA Minnelli’s sister, Lorna Luft, has canceled her worldwide concert tour to undergo “extensive surgery” to battle against breast cancer.

Fresh out of rehab after ingesting a killer combo of booze and pills, pals fear Liza, 69, will suffer her own devastating setback in the wake of the news!

The National ENQUIRER first reported in April that Lorna’s cancer had returned.

She had been touring the United Kingdom, and earning rave reviews, while paying tribute to her famous mother in “Judy – The Songbook of Judy Garland.”

Lorna, 62, is now rushing back to the U.S. after being “advised

by her medical team that she requires further treatment and extensive surgery.”

Liza’s stepsister was diagnosed with stage 2 breast cancer in 2012.

She had a lumpectomy and completed six rounds of preventive chemotherapy.

A family friend told The ENQUIRER: “Everyone is praying both Liza and Lorna can make it through this very difficult time.”

In Sept. 2014, Dolly told a magazine she had come a long way from her dirt-poor upbringing in rural Tennessee, but was still proud to call herself a redneck.

"It's a compliment to me," Dolly said. "We were really redneck, hillbilly people. And I'm proud of it."

But the source added: "The

last thing Dolly will want is to be attached to a racist shame.

"It's apparent she's going to be embarrassed that Donnie is such a redneck bumpkin. Certainly she was as sickened as the rest of the country over the Charleston massacre."

Aneurysm silences Joni

CONIC folk singer Joni Mitchell has been silenced by a brain aneurysm, according to her close friend, singer David Crosby.

"She is not speaking yet," David said. "She took a terrible hit. She had an aneurysm,

and nobody found her for a while. And she's going to have to struggle back from a traumatic brain injury."

Joni, 71, was found unconscious in her Los Angeles home on March 31, and was hospitalized and later moved to a rehab center. According

TRUMP HITS BACK OVER MEXICO FIASCO!

VIVA El Donald! Republican presidential candidate Donald Trump came to The National ENQUIRER to set the record straight on remarks he made about Mexico.

Announcing his 2016 candidacy on June 16, The Donald deplored immigrants from Mexico who, he said, have "lots of problems" and were "bringing those problems to us."

But speaking to The ENQUIRER, he charged back at critics.

"I am personally offended by the mainstream media's attempt to distort my comments regarding Mexico and its great people," he said.

"My views have been consistent and totally clear — but inaccurately reported."

In the aftermath of the billionaire GOP hopeful's speech — during which he said Mexicans were "bringing drugs and bringing crime" — Univision, the nation's largest Spanish-language TV network, dropped its commitment to broadcast the Trump-owned Miss Universe Pageant.

Hard-charging Donald offered no apologies, but said his issues were with U.S. leaders rather than the government of Mexico.

"I have many successful business relationships with Mexican companies and employees,

Donald declared his candidacy for president on June 16

and am close friends with many Mexican people," he told The ENQUIRER.

"The disappointment I expressed relates to our incompetent politicians and their failed trade and immigration policies.

"We can barely support our own, much less continue to allow millions of people of many different nationalities to enter our country illegally across an unprotected and porous border and take much-needed jobs from American citizens!"

Donald also invoked his new presidential campaign slogan: "We are in serious trouble — economically, and from a security perspective — and we need leaders who are intelligent, truthful and tough in order to negotiate deals with countries like Mexico, and many others, that will Make America Great Again!" **NE**

BEVERLY HILLS COSMETIC SURGEON REVEALS

HOW CELEBRITIES LOOK YOUNGER WITHOUT SURGERY

When celebrity patients come to Dr. John Layke to look younger, they're usually shocked by what he tells them:

"The secret to looking younger isn't fighting age... it's fighting gravity."

Dr. John Layke
Cosmetic Surgeon

Believe it or not, the wrinkles in your face only account for about 18% of the total surface area of what people see when they look at you...but your neck takes up over half - a whopping 54%!

According to the American Society of Dermatologic Surgery, "Sagging of the lower face and thin, wrinkled skin on the neck are two of the most dramatic signs of age and aging skin."

That's why Dr. Layke, of the Beverly Hills Plastic Surgery Group, has developed a breakthrough solution that utilizes the latest advancements in skincare technology to combat sagging skin.

And over the past year, women from around the country have been contacting his office in Beverly Hills to take advantage of this look-younger solution. "There's absolutely no surgery required," says Dr. Layke. "Some of my patients even call it cheating!"

How does it work?

The secret lies in a newly developed peptide called **Idealift™**. You see, the two biggest culprits of sagging skin are **age** and **gravity**.

That's because these two things directly affect your **collagen** and **elastin**, which are the two primary structural proteins in your skin, and are responsible for making it appear smooth, firm and youthful.

But Idealift™ stimulates the synthesis of **5 additional molecules** besides collagen and elastin that

are essential to your skin's architectural framework - 5 molecules overlooked by most skincare products.

In one study, 26 women between the ages of 54-75 used Idealift™ twice a day for two months. At the end of the study, 68% of the women reported having less sagging skin, and 81% said their skin was noticeably firmer.

"I see a huge difference in my face and the lines, I love the cream, it really firms under my eyes also. My neighbors say I am looking good lately, this cream really firms you and lifts the skin, I love it." - Angelica (59)

Because of these significant results, Idealift™ is the primary ingredient in Dr. Layke's brand new skincare formula: **Beverly Hills MD Lift + Firm Sculpting Cream**.

Best of all, Beverly Hills MD offers an industry-best **60-day full money-back guarantee**.

So you can try it risk-free today!

DARK MY BEHIND CHEF'S DR

Bill & Hillary's ex-aides *'dropping like flies!'*

THE sudden death of the top chef in the Clinton White House has triggered sensational claims there may be more to his untimely demise than meets the eye!

Then-First Lady Hillary Clinton hired Walter Scheib – whose body was found on June 21 in a remote area of New Mexico – as White House executive chef in April 1994.

Walter prepared the First Couple's meals daily – and could have known intimate secrets that threaten to derail

Hillary's presidential run, a former member of the Clintons' inner circle told The National ENQUIRER.

"Isn't it odd that as Hillary is about to get into a vicious campaign, a guy who would have been in a position to overhear things that could scuttle her campaign just disappears?" Larry Nichols – a member of the Clintons' notorious "Kitchen Cabinet" – told The ENQUIRER.

"This has happened so many times, there's even a name for it. We call them

Here, according to insiders, are four of the secrets Walter could have knowledge of from his time in the White House.

Forged after the Monica Lewinsky scandal, Hillary agreed not to divorce Bill in return for his supporting her future political career, including a

Senate and White House bid.

STERIES CLINTON OWNING

The **REAL** reason they want Chelsea to have another baby!

Walter and Hillary in 1994, the year he began serving under the Clintons

FOR PRESIDENTIAL PARDONS

After Bill granted a pardon to Almon Glenn Braswell, a convicted perjurer and mail fraud felon, Braswell paid \$200,000 to Hillary's brother, Hugh Rodham, the next business day!

THE TRUTH BEHIND VINCE FOSTER'S DEATH

In May, we reported on new evidence suggesting the former White House Counsel – and alleged Hillary paramour – was actually murdered, and his body moved to make his death look like a suicide.

WALTER, 61 when he died, easily could have had detailed knowledge of any or all of those bombshells, Larry said.

"I saw Walter several times at the White House," said

Larry, a 10-year member of the "Kitchen Cabinet," a team of high-powered operatives tasked with doing the Clintons' political dirty work.

"Walter would have regularly been in conversation with Bill and Hillary about all sorts of things."

His body was found eight days after he went missing during a hike in the mountains near Taos, New Mexico.

While authorities have labeled the death an accidental drowning, Larry said: "I'm not saying the Clintons had anything to do with it, but there's one thing that's consistent with them. When they get back in power, people start dropping like flies!"

– MIKE JACCARINO

HILLARY Clinton is scheming to kiss one special baby on the campaign trail – with a carefully timed new grandchild from daughter Chelsea!

"She really needs to soften her image," a campaign insider told The ENQUIRER.

"Some photographs of the doting grandmother with Chelsea's brand new baby should do the trick!"

Chelsea, 35, gave birth to her first daughter with money manager hubby Marc Mezvinsky, 37, last September.

And while Hillary thinks granddaughter Charlotte is great, she's hoping for a grandson as an October surprise near Election Day.

"Who can argue with a bouncing baby boy and beautiful granddaughter?" said the D.C. veteran. "It's Hillary's secret plan to stack the voting deck any way she can!"

The strategists also know that a new baby provides an excuse for Hillary to constantly be seen with Bill right before the election.

EX-PLAYMATES REVEAL ...

'LEO LOVED TO HA TO THE MONKEY

■ **How A-list celebrities went wild at the Playboy Mansion**

■ **Girls were off 'thigh opener' s**

HUGH Hefner's ex-Playmate Holly Madison was right! The Playboy Mansion is a cesspool of drugs and wild sex for Hollywood's megastars. The National ENQUIRER has learned in a bombshell world exclusive investigation.

In a series of dramatic accounts from those who have lived a wild life inside the gilded cage, The ENQUIRER can blow the lid off what REALLY went on at Hef's multimillion dollar estate in Holmby Hills, Calif.

Former Playmate Izabella St. James, once one of seven hand-picked stunners living

with Hef, recalled how Leonardo DiCaprio, Colin Farrell and Owen Wilson could "click their fingers" to take their pick of the girls. "Leonardo, Colin and Owen were the girls' favorites," she said.

"These boys caused a stir at every party. Leo practically lived at the mansion. I lost count of the times I saw him bundling five or six girls into a limo to take back to his house."

In an act of depravity, "many girls boasted about how Leo loved to sneak into the grounds and have sex next to the monkey enclosures," she recalled!

"Matthew Perry from

'Friends' liked that, too!

"Owen Wilson had a reputation for being fantastic in bed. I couldn't count the girls who bragged about enjoying group sex sessions with him.

"One night we watched as [Colin] led a Playmate down to what we call the Greenhouse. He loved to romp outdoors."

The list of stars who partied at the house off Sunset Boulevard included George Clooney, Jim Carrey, Charlie Sheen, Warren Beatty, Brad Pitt – and "Wheel of Fortune" letter-turner Vanna White!

In her new tell-all autobiography, "Down the Rabbit

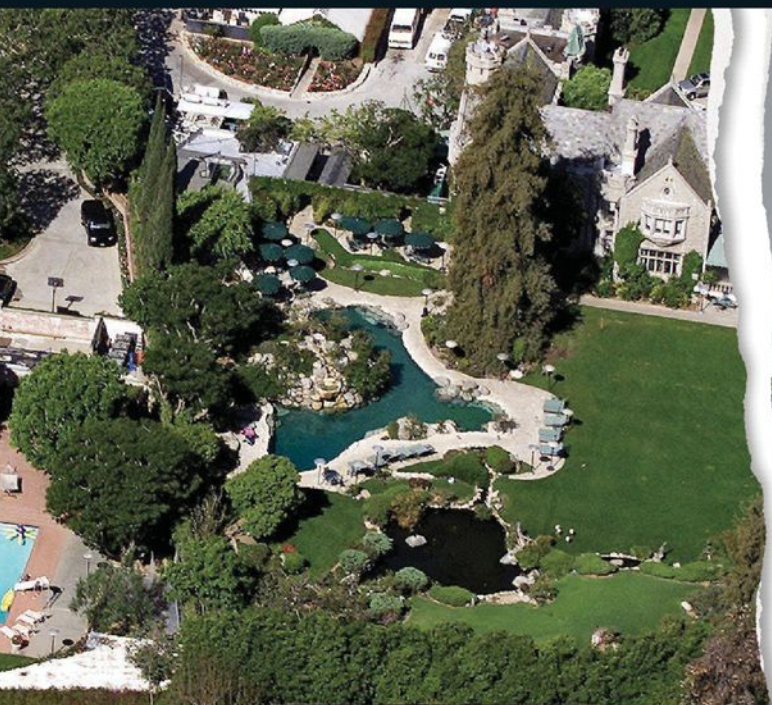

Hole: Curious Adventures and Cautionary Tales of a Former Playboy Bunny," Holly, 36, revealed how Playmates would cheat on Hef by sneaking off at parties with celebrities.

FORMER BUNNY Jill

Ann Spaulding, who stayed at the mansion for five days, said she never saw Hef use a condom while having an orgy with 10 women!

She sensationally claimed Hef gave sedatives

■ **Hefner's bedroom smelled like dog urine**

A former Playmate dished that Owen Wilson and Colin Farrell, as well as Leonardo DiCaprio (inset) were among the girls' favorite visitors

to the girls in his limo to help them shed their inhibitions, and they would bathe at the mansion while their benefactor watched and took photographs.

Although Jill Ann said she avoided having sex with Hef, she claimed the Playboy founder would have sex with the other 10 girls present – who cheered “Go for it!” as he pleased himself.

Every bath-

room in the Playboy Grotto was stocked with a tray of baby oil, Vaseline and Kleenex.

OF HEF'S huge bedroom, Jill Ann shattered the façade of sophistication – telling how “it stank of dog urine,” appeared littered with magazines and gay porn constantly played on TV screens!

Holly painted an even bleaker picture in her just-released memoir.

The former Hooters waitress lived at the mansion from 2001 to 2008, spending several years as Girlfriend No. 1.

She claimed Hef offered her

a Quaalude as a “thigh opener” the first night he met her at a club, and added she had sex with him the first time she was summoned to his bedroom – along with six other women!

“It was so brief that I can’t even recall what it felt like, beyond having a heavy body on top of mine,” Holly wrote.

But there was an even darker side to life at Hef’s home, The ENQUIRER has learned.

Bill Cosby, once a regular Playboy visitor, has been accused in a lawsuit of assaulting Judy Huth at the mansion in 1974 when she was 15. The comedian has denied the claims.

THE first family of reality TV is reeling with the last news they wanted to hear – a stinging tell-all revealing their many dark plastic surgery secrets! But before that happens, The National ENQUIRER has consulted top cosmetic surgeons who expose the nicks, tucks, sucks, lipo and lifts that have transformed them into plastic disasters!

KIM (34) **Kim-possible comeback!**

■ “For someone who had a child so recently, Kim looks like she’s loaded up on **exaggerated augmentations in her rear and hips** – and intense liposuction around **the waist**,” said Chicago-based plastic surgeon Dr. Steven Dayan.

■ “Mother Nature doesn’t usually grant back that **hourglass shape** so soon after delivering a baby,” added Dr. Dayan.

■ Dr. Lyle M. Back also spotted significant work up “North.” “She’s also had **ample fat injected in her lips and cheeks!**” he said.

■ "She's a busy lady," said plastic surgeon Anthony Youn. "Her neckline is impossibly sharp for her age. She's had a facelift, and **fat injections in her plumped-up cheeks**. Her forehead, frown lines and crow's feet are impossibly smooth! Hello, Botox!"

■ The momager has gone to **great lengths to look as young as her kids** - and to stay active on the post-divorce dating scene with 34-year-old Corey Gamble. In June, Kris was spotted in Paris with a plumper rear end, raising eyebrows as to whether the reality star had a Brazilian butt lift.

KYLIE (17) **Old before her time!**

■ "She's used Botox to enhance the arch and lift of her eyebrows, and had fat injected into her cheeks and lips," said Dr. Back. "She also seems to have had **her buttocks ballooned** - but she's so thin she must have had no fat for injections and went with implants!"

■ The Kardashian clan's youngest kid has already enrolled in the Lindsay Lohan School of Aging. She's reputed to have undergone as many as six surgeries before the age of 17!

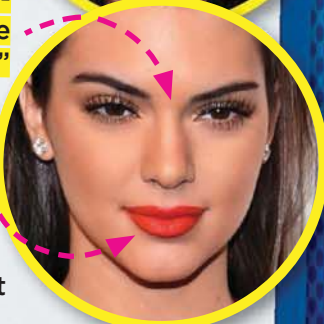

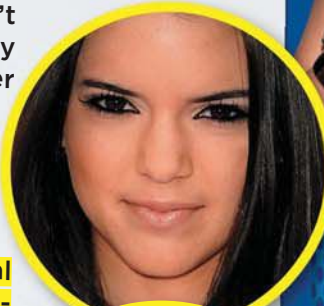

■ "She's had a nose job, for sure!" added New York-based plastic surgeon Dr. Roy B. Stoller.

KENDALL (19) **The nose has it!**

■ The model hasn't admitted to any procedures, but her slimmer nose does the talking for her.

■ "It clearly seems like **she's had rhinoplasty**, as her nasal contour is much improved, and her nose is not nearly as wide," said Dr. Roger Tsai.

■ "**She looks like she had lip injections**," added Dr. Yoel Shahar. "Sadly, the results are not pretty."

KOURTNEY (36) **Breast intentions!**

■ The family's finest whiner has confessed her cups runneth over. "**I have had breast implants**," Kourtney said in 2001 - and then she had them redone in 2009!

■ "The new set is amply sized, but she's gonna need some downsizing when - and if - she ever decides to lose her post-pregnancy pounds," said Dr. Back.

KHLOÉ (31) **Bottoming out!**

■ Khloé has battled body issues, but insists her exaggerated curves are natural. Still, Beverly Hills plastic surgeon Dr. Neal Handel suggested she had her "**buttocks enhanced**" with an exotic Brazilian butt lift, which involves sucking fat from other body parts and injecting it into the bottom line.

■ Dr. Handel added that "because Khloé's **waist-line looks slimmer**, it raises speculation that the fat was harvested from the abdomen using liposuction, and injected into the buttocks!"

It's a fact: circulation issues can cause a variety of dangerous health issues. As we age and become less active, these issues can get worse. ENQUIRER
EXCLUSIVE

DARYL ROCKS NEIL'S WORLD... BUT SHE'S STILL SCARRED BY **BROWNE BEATING**

DARYL Hannah's new romance with legendary rocker Neil Young is haunted by the brutal abuse she suffered from former boyfriend Jackson Browne!

"It happened 23 years ago, but Daryl still bears the emotional scars," a close friend told The National ENQUIRER.

"She's never been able to let it go completely!"

Neil is the first musician Daryl has dated since her twisted relationship with Jackson, who topped the charts with hits like "Running on Empty."

As The ENQUIRER revealed at the time, her live-in lover had battered and bruised the "Splash" siren at their Santa Monica, Calif., home on Sept. 23, 1992, as Daryl began packing for New York.

"She went to a doctor for treatment, and was forced to cancel an appearance at an

awards ceremony," an insider confirmed.

Daryl's mom, Sue Wexler, told The ENQUIRER: "I'm just glad she wasn't hurt any more than she was. It's awful any time a man strikes a woman."

The "Blade Runner" beauty, 54, has found "true love" with 69-year-old Neil, pals said.

The family friends are especially relieved to see her finally getting over the death of former flame John F. Kennedy, Jr.

As The ENQUIRER revealed last year, a heartbroken Daryl couldn't stop pining for her lost love since his fatal plane crash in 1999.

"Daryl cried for months at the thought of what might have been," a source had said.

The couple met in the early

Daryl and former live-in lover Jackson

1980s while both were vacationing in St. Martin. The blonde beauty was devastated when John abruptly ended their romance in 1994.

This new relationship with Neil has been blooming ever since the rock star filed for divorce from Pegi Young, his wife of 36 years, on July 29 last year.

A little more than a month later, Daryl and Neil were seen holding hands at a restaurant in Westlake, Calif.

"Daryl loves Neil very much, and there's even been talk about marriage," the source told The ENQUIRER.

"But the memories of that physical altercation with Jackson are still deeply troubling to her. Daryl will likely never get over it!"

JENNIFER Lopez is ready to trade in her boy toy for a Batman but she's determined to wait until Ben Affleck has sorted out his \$150 million divorce from Jennifer Garner.

"The last thing J.Lo wants is to be branded a marriage wrecker," an insider said.

Instead, Ben's anxious fiancée has been patiently "waiting in the wings" for him to officially split from Jennifer Garner - a bombshell first revealed in The National ENQUIRER.

"J.Lo's already been there for Ben," added the friend.

"She's a good listener, and he's been pouring out his heart to her. The spark's definitely still there!"

J.Lo, 45, and her ex, 42, were spotted getting touchy-feely at the Oscars earlier this year.

While Ben's eye wandered, his wife stayed home with their three children. Likewise, J.Lo's on-again, off-again young lover Casper Smart, 28, was nowhere to be seen.

"She'd leap at the chance to marry Ben and have kids together," said the family

friend.
"She's always regretted that they never went through with it the first time!"

"Bennifer" - as the couple was once known - dated for 18 months. They called off their 2003 wedding just four days before the ceremony, amid reports that Ben had been caught gambling and partying with strippers.

Now the thrice-divorced J.Lo - mother of 7-year-old twins from her marriage to Marc Anthony - has grown bored with Casper's childish antics.

"She's finally ready for a mature mate," the source told *The ENQUIRER*.

"It's looking like she and Ben have a lot of unfinished business!"

cks Diddy over football coach assault

SEAN "P. Diddy" Combs has won the support of his ex J.Lo who has declared he was justified in attacking his son's college coach!

"J.Lo is a mom, and wouldn't think twice about fighting for her kids. She believes Diddy did the right thing for his son," a source told *The National ENQUIRER*.

Justin, 21, is on the UCLA Bruins football team. Diddy reportedly jumped to his defense on June 22 when strength and conditioning coach Sal

Justin Combs

Sal Alosi

Alosi screamed at Justin on the field.
"We're told the coach 'was riding Justin, screaming intensely at him,'" said another source. "Diddy watched the whole thing from the sideline. At some point later, Diddy confronted the coach

in his office and grabbed him. Diddy was then arrested."

But, said an insider, the rap mogul, 45, feared for his safety in Sal's office. Diddy grabbed a kettlebell and swung it, but didn't touch anyone, the source said.

UCLA campus police arrested him for assault with a deadly weapon, making terrorist threats and battery, but criminal charges haven't been filed.

A statement issued on Diddy's behalf said in part: "Any actions taken by Mr. Combs were solely defensive in nature to protect himself and his son."

The source said: "Jenny knows Diddy is a loyal guy. He always had her back." **NE**

WALK THIS WAY!

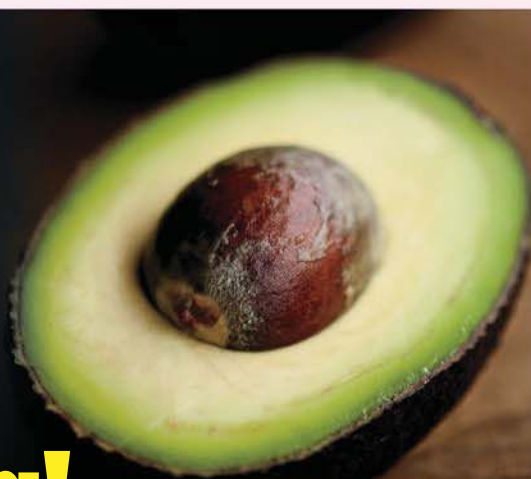

THE average person takes 4,000 steps a day – and many of them are doing it wrong! Start preventing twisted ankles, calluses and joint damage. Relax your shoulders and stand tall with a slightly lifted chest, plus a straight back. Bend your arms 90 degrees at the elbow. Swing them in time with the opposite leg for balance. Keep steps of equal length, and don't tilt your head or slump your shoulders. Hit the ground with your heel first – and you're off to the races!

WHEN TO DITCH YOUR DOC!

YOUR doctor is the most important person in your life when it comes to maintaining your health. But if he or she falls flat on the job, be ready to move on to someone else. If you ask intelligent questions and don't get an answer, you're not getting the proper attention. If your calls aren't returned, he or she isn't taking your health seriously. If your health is declining, you'd better seek help elsewhere – and if your doctor isn't offering healthy recommendations on lifestyle, diet and exercise, prescribe yourself a better physician!

Eat right and stay young!

EVERYBODY wants to look younger. Start getting there by simply eating right! Certain foods have anti-aging properties and ingredients that slow the aging process. Blueberries have antioxidants that fight the free radicals which cause wrinkles. Fish is filled with fatty acids that help prevent heart disease. Beans are rich in protein, vitamins, minerals – and potassium that promotes hair growth. Give your hair more shine by eating carrots packed with vitamin A! And invest in some avocados for lower blood pressure and healthy skin.

SOS! SAVE OUR SKIN!

MOST people love summer, but it's also the toughest season on the skin. In addition to wearing sunscreen, the Skin Cancer Foundation offers these tips to minimize damage. At the beach, use water-resistant broad-spectrum [UVA/UVB] sunscreen, and reapply it every two hours or after swimming. Cover up with clothing whenever possible. Use a swim shirt if your skin is particularly susceptible to sunburn. Car windows don't offer protection from the sun, so treat your vehicle to window film.

BREAKTHROUGH PSORIASIS DRUG DISCOVERED!

A “miracle” drug is curing psoriasis at incredible rates! In a recent trial, half of 2,500 affected patients were given the drug ixekizumab. After 12 weeks, 90 percent showed some improvement, and 40 percent were psoriasis-free! What's more, folks reported a big boost in quality of life, according to study author Professor Chris Griffiths.

HOW TO MANAGE ANXIETY!

Four simple tricks to get you feeling less stress!

'I go for a jog. I like what it does for my mind. If I've had a bad day, if I'm feeling stressed out, if I'm feeling overwhelmed – it takes it all away. It's my antidote for everything!'

Kelly Ripa

FOR many people who struggle to conquer stress, anti-anxiety medications are of little help. But as Kelly Ripa pointed out, there are natural ways to keep your life in balance. Here are some of the most effective DIY remedies.

1 BRING IT ON!

Spend 20 to 30 minutes a day focusing on your breathing. Try repeating a calming mantra. This will take practice, but the process will get easier while helping you relax. You might even experience physical benefits like lowered blood pressure.

3 SOAK IT!

Sitting in a warm bath with Epsom salts for 20 minutes a day will help your body absorb magnesium. That will help relax your muscles and promote a better night's sleep. Epsom also ensures proper functioning of muscles, nerves and enzymes.

2 DON'T BE SO SWEET!

Too many cakes, cookies, doughnuts and ice cream won't just expand the waistline. All of those sweets can also spike your blood sugar, which triggers anxiety or depression. Some people feel stress just from the guilt of indulging that sweet tooth!

4 WORK IT OUT!

Volumes of research support Kelly's approach of relieving stress with exercise. One study even showed that three sessions of vigorous endorphin-releasing aerobic exercise were about as effective as a patient's medications!

Billy Graham SEX SCANDAL!

His cheating pastor grandson forced to resign over affair

THE shamed family of evangelist Billy Graham is covering up a dirty secret that could kill the beloved 96-year-old pastor!

Relatives are making it a priority to keep Billy from learning about the extramarital affairs that forced his grandson to resign as a pastor, sources told The National ENQUIRER.

"It's exactly the sordid kind of moral failure that Billy spent a lifetime preaching against," said a family insider.

Tullian Tchividjian gave up his position at Coral Ridge Presbyterian Church in Fort Lauderdale, Fla., after the pastor admitted that both he and his wife had cheated outside their marriage.

He had originally asked for a recent sabbatical after discovering that his wife, Kim, was cheating on him.

"As her affair continued, we separated," said Tullian, 42, whose mother is Billy's oldest child.

"Sadly and embarrassingly, I subsequently sought comfort in a friend, and developed an inappropriate relationship myself.

"I admitted to it, and it was decided that the best course of action would be for me to resign."

Billy has been in ill health, and family members were grateful to see the

"I know I'm going to heaven," the legendary crusader told The ENQUIRER through his son. "I'm looking forward to it with great anticipation."

But the insider added: "Billy just spends his days praying and resting. The family controls whatever Billy watches on TV and what he reads.

"They can make sure he never learns about this scandal."

HOW TO...

TELL IF YOUR HUSBAND IS CHEATING

IF YOUR husband seems happier these days, you might not be the reason why! According to a MSNBC survey, it's estimated that up to 44 percent of married men are unfaithful! Here are some telltale signs that he may be cheating:

■ HE GUARDS HIS PHONE

If he starts carrying his cellphone as carefully as a live hand grenade, it may be because he doesn't want you to see the call history, texts or numbers in it.

■ HE'S 'MANSCAPING'

If your Sloppy Joe transforms into James Bond, beware! If he shows more interest in his body and wardrobe, it may be to impress someone else.

■ HE EXHIBITS NEW MOOD SWINGS

If your spouse is suddenly erratic and volatile, it could be his guilt over cheating on you. Also, if his mind seems elsewhere when you're together, he might have somewhere to go that you should know about.

■ YOU'RE OFF HIS BUSINESS GUEST LIST

If he's hitting the town several nights a week to meet with clients or co-workers and you're never invited, that should throw up a fidelity flare!

■ WHAT SHOULD YOU DO?

If you notice any of these signs, confront your spouse. If he denies all and the signs are still there, seek couples therapy with a qualified professional counselor. The worst thing you can do is nothing. **NE**

SURPRISE! Jim Nabors turned 85, and we were there to celebrate at his Hawaii home.

The shindig also marked Jim's 40th anniversary with his longtime love, husband Stan Cadwallader.

"The one good thing about having a big birthday party is people out there will have proof that I'm still alive," Jim joked. "I'm old, but I feel better than I have for the past couple of years."

The Alabama native had a Southern-style buffet laid out for guests like Carol Burnett

"[I think of her as my younger sister]", and was even reconsidering his retirement from singing at the annual Indianapolis 500: "I watched it this year on TV and I realized how much I missed being there!"

Jess gives Ashlee baby blues

WITH her pregnancy ready to pop, Ashlee Simpson got ready to explode over older sis Jessica getting bossy about birthing the baby!

"Jessica means well, but after two back-to-back pregnancies, Jess thinks she's an expert," a family friend told All The Buzz.

"It's like she's forgotten it's Ashlee's second baby!"

Ashlee, 30, married 26-year-old actor and musician Evan Ross last year, and has been trying to relax with her mom, Tina, and mother-in-law, Diana Ross.

"But Jess insisted on monitoring everything, from Ashlee's diet to her cellphone use!" revealed the source. "There's even talk of Jess being banned from the delivery room!"

DICK'S ANGUISH OVER MICKEY ROONEY ABUSE

Sad secret Van Patten took to the grave

BELOVED TV dad Dick Van Patten – who passed away on June 23 at age 86 – went to his grave heartbroken over his longtime pal Mickey Rooney.

The National ENQUIRER has learned the “Eight Is Enough” star was secretly devastated by the elder abuse allegations involving Mickey after his death last year!

“The charges of elder abuse really rocked Dick,” a source told The ENQUIRER. “He had no idea what was going on behind the scenes.

“Coming from such a wonderful, supportive and loving

Mickey's death in April 2014 spurred allegations of abuse; above, Dick and Mickey with Mel Brooks

family himself, Dick could never have imagined such a thing.”

Just a week before his death on April 6, 2014, Mickey posed with Dick and fellow entertainment icon Mel Brooks, then 87, at Santa Anita race-track in Arcadia, Calif.

“Mickey was grinning from ear to ear, clearly delighted to be with his old friends Dick and Mel,” said a source.

At the time, Dick said: “Mickey was fine. He seemed terrific. But I guess when you’re 93 ...”

He added: “Mickey was my idol. He could do everything. He was a wonderful actor. He could sing. He could dance. He could play instruments. Unbelievable.”

After Mickey’s death, The ENQUIRER published shocking photos showing the 5-foot-2 actor bloodied and bruised.

We reported that enraged family members wanted authorities to determine whether his wife, Jan Chamberlin, was responsible for “elder abuse.”

But Jan insisted that she was left reeling from claims that she subjected Mickey to physical violence, and said her life had been a nightmare since he passed.

Jan told The ENQUIRER: “I didn’t kill Mickey! I loved him!”

The source added: “The whole thing shook Dick up. He couldn’t imagine it. He felt so lucky and blessed to have the family he had and his rock solid marriage to Pat, who he wed in 1954.”

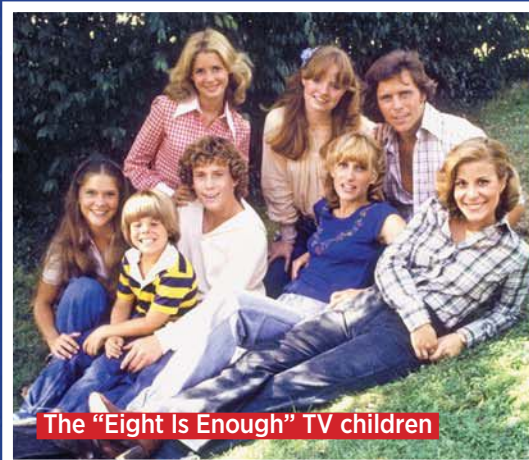

Published reports said Dick passed due to complications of diabetes. The ENQUIRER reported in our issue last week that the father of three had spent his final month in a hospital.

Added the source: “No doubt Dick will be glad to see his old buddy Mickey in heaven. He loved him like a brother.”

Forever the father figure!

HIS “Eight Is Enough” TV family said Dick Van Patten was as much of a dad offscreen as he was on the popular sitcom from 1977 to 1981.

Grant Goodeve, who played oldest son David Bradford, told The ENQUIRER: “Dick was like a father to me – not just on TV, but in real life! He had natural humility, just like his character on the show. He had no airs about him, no attitude.

The “Eight Is Enough” TV children

“For my daughter Emily’s birthday, he had the guy at the race track who plays the trumpet play ‘Happy Birthday’ to her! She thought of Dick as her grandfather.”

Connie Needham, who played youngest daughter Elizabeth Bradford, recalled for The ENQUIRER: “Dick was such a sweet man. My dad was a general contractor at the time of the show.

“Dick and his wife, Pat, were remodeling their house – and when they heard what my father did for a living, he told me, ‘Your dad has to do my house!’

“There was no question. He didn’t even ask for a bid!” **NE**

HOW TO PLAY

You must fill in every empty square in the Sudoku grid. There's no right way of going about this, but there is only ever one solution. The big grid is split into nine mini-grids. There are nine rows running left to right and nine columns running down. In every row, you must have each of the numbers 1, 2, 3, 4, 5, 6, 7, 8 and 9. These can be in any order. The same applies to columns and mini-grids: place every number 1 through 9 in each column and in each mini-grid.

CELEBRITY WORD MATCH

Find a word that can follow the word on the left and precede the word on the right. When you've filled in all the answers, the name of a celebrity can be read from top to bottom in one of the lines.

MATILDA, THE CAT FROM **ANOTHER PLANET!**

*Little tabby
has an eye
condition
... and 30,000
Facebook
friends!*

Matilda can't see very well, but she has no shortage of buddies

THE Internet's newest celebrity looks like she's landed on Earth from somewhere far away! She's a cat named Matilda and with her saucer-like eyes, she resembles a feline ET!

The feisty furball was born with a condition that makes her pupils dilate to the size of asteroids, and cover the rest of her eyes. But her unique appearance has attracted a lot of looks around the web.

The 2-year-old tabby has collected an

out-of-this-world 46,000 Instagram followers and 30,000 Facebook friends, allowing her to make contact with a vast universe of amazed Earthlings.

Matilda's profile reads: "Have you seen anyone else that looks like this? I'm seeking my own kind."

While her unusual condition limits her eyesight to "light and some motion," her earthbound owners in Canada [who prefer to remain unnamed to maintain their privacy] said: "The pressure levels

in her eyes are completely normal, which means that there is no pain."

They've set up a GoFundMe page that has already collected more than \$2,500 for medication and surgery to treat Matilda's larger-than-life eyeballs.

Matilda's grateful ambassador to Earth gushed: "We are so touched and humbled by the generosity and kindness you have shown, and so quickly too."

And that's how this doe-eyed kitty got a spot on this week's Odd List! **NE**
